### LEADERSHIP UPDATE

As we all know, COVID-19 hit the United States and our healthcare workers fairly quickly. Due to the pandemic, APAOG has had to make a few leadership changes in order to best serve the members and continue the mission: *improve the health care of women by supporting physician/PA teams who provide cost effective, quality care to female patients and by promoting a network of communication and education between providers dedicated to women's health.*

Several members will be continuing in their role on the Board, some are filling unexpired terms of their predecessors, and a few have graciously accepted the responsibility to take on new leadership positions. Please join us in congratulating the new additions to the APAOG Board of Directors:

Melissa Rodriguez, PA-C, *President*  
Rose Helm, PA-C, *Vice President*  
Jacquetta Melvin, PA-C, MPH, *Past President*  
Melanie Jacobs, PA-C, *Treasurer*  
Mowita Kensinger, PA-C, *Director at Large*
