

ASSOCIATION OF
PHYSICIAN ASSOCIATES IN
OBSTETRICS & GYNECOLOGY

November 2022

President Message

With the holidays around the corner, APAOG gives thanks to our members for the support and inspiration. We have successfully grown our organization in both numbers and partnerships. We look forward to continuing our current offerings and putting together a robust hands-on curriculum at our in-person annual conference in Milwaukee, WI on July 17-19, 2023. Be on the lookout for a call for presenter and volunteers in the new year. I am thankful for the opportunity to serve as president of APAOG over the past two years and will continue to advocate fiercely for OBGYN PAs during my remaining term and beyond. Best wishes to you, your family and friends, during your Thanksgiving celebration. Please be sure to check out our newest webinars, catch up on our last edition of the Artemis, and complete the season of the APAOG podcast.

A few highlights from November include the second taskforce meeting for abortion care. We recognize that access to quality care is our professions hallmark, and we should be at the forefront of reproductive health. We have made partnerships with national, state, and local associations nationwide and are working on assuring women are listened to and cared for, especially during challenging times. A network of referrals is helpful for PAs who do not perform abortion care and we will strive to create a system to help navigate the current complexities.

Melissa Rodriguez, DMSc, PA-C
